Subject: Meditam name change

To the Public Service Commission and the Office of Regulatory Staff:

This email is to notify both agencies that although I requested a name change to all three (3) certificates (Charter, Non-Emergency and Taxi) for Meditam, LLC, I no longer wish to have a taxi certificate. It is my understanding that a hearing was held at the PSC on June 5, 2013 and the Taxi certificate was revoked from the bench for my failure to register any vehicles under the Taxi certificate for the First Half Year 2013. I understand an Order is forthcoming as a result of that hearing and I understand and agree to my Taxi Certificate being revoked.

Thanks,
Bob Pikaart
